This is in response to your request for an MSDS:

MSDS is not a requirement of OSHA Hazard Communication Standards for wallcoverings. The following statement applies to wallcovering:

“This product is an “Article” as defined under the OSHA Hazard Communication Standard (29 C.F.R. Section 1910.1200) As such it does not release, or otherwise result in exposure to a hazardous chemical under normal conditions of use”.

You can feel confident that all wallcoverings offered by MDC Wallcoverings meet the highest standards in the industry.

Thank you,
MDC Wallcoverings
